The grounds for this request are as follows:

- *The parties have executed a Settlement and Co-existence Agreement resolving the dispute that is the subject of this opposition proceeding. However, the agreement requires a number of amendments to be made to applications and registrations owned by Campus Crusade for Christ (#CCCI#). CCCI has already begun to file the requisite requests and will continue to do so until the terms of the agreement have been complied with. The parties request this sixty (60) day extension to provide time for CCCI to complete its requests and for the USPTO to act on these filings.*

The University of Mary Hardin-Baylor has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

The University of Mary Hardin-Baylor has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
